INCLUDING HIGH POINT AND THE SURROUNDING AREA
Design Access is a rare opportunity which combines professional designer expertise with exclusive access to High Point Showrooms. Shop with one of Visit High Point’s Preferred Designers in showrooms that are not open to the general public. Projects can range from one custom-made piece to your entire home.

*Fees are negotiated directly with the designer under a separate agreement from the Design Access program.

Your Personal Designer will:
- Answer your design questions and give guidance.
- Assist with floor plan layouts and design services.
- Help you select your fabrics, colors and furnishings.
- Guide you in making wise design and cost-effective decisions.
- Place your orders with the showrooms, coordinate shipping** and arrange delivery throughout the US and internationally.
- Handle after delivery services like inspection, inventory tracking and issue management.

**In-home delivery and white glove services can be negotiated by and paid through your designated designer.

Visit our website at visithighpoint.com to search for furniture by product, style or manufacturer, and connect to designers while you’re there.

Contact Christina Payne to schedule an appointment, cpayne@visithighpoint.com or call 336.884.5255.

Special Design Access room rates for hotel accommodations are available at Seven Oaks Inn Bed and Breakfast, Pandora’s Manor, and J.H. Adams Inn Trademark Collection by Wyndham.
**Furniture Shopping Tips**

- **Do your Homework:** Familiarize yourself with manufacturers, prices and styles by comparison shopping before you leave home. It’s easy to become overwhelmed with choices once you’re here. Helpful resources include the Visit High Point Website, our Home Furnishings Newsletter and the Furniture Shopping in NC Facebook Page.

- **Timing:** Avoid mid-April and mid-October, when the region is hosting 75,000+ market attendees during the High Point Market.

- **Shipping:** Fees vary from store to store just like the prices. Some charge a percentage of invoice, while others charge by weight. Some on the other hand will refer you to shippers as opposed to handling in-house. Compare your options and make note of what’s inclusive (set-up or assembly).

- **Payment:** Be prepared to make deposits on purchases. The balance is generally due upon delivery.

- **What to pack:** Bring photographs of your home, measurements and detailed floor plans, as well as paint chips and fabric swatches from furniture and rugs you already own.

- **Wear** comfortable shoes.

- **Plan Accordingly:** It may take several hours to a couple days to make price and inventory comparisons to finalize your purchase.

- **When Making Hotel Reservations,** be sure to ask for a furniture shopping rate as many of the hotels provide discounts. You can find the ‘Hotel Discounts’ under the ‘Home Furnishings’ tab on our website. (This listing can also be found on page 43 within this guide.)

- **Be Equipped With Transportation:** Shopping is spread out with more than 100 furniture stores across the Piedmont Triad Area.

- **Take Advantage Of The Complimentary Concierge Service** Visit High Point offers by contacting Christina Payne, cpayne@visithighpoint.com or through our website under the ‘Home Furnishings’ tab and ‘Complimentary Concierge Service.’

**High Point Stores**

*(includes Archdale, Asheboro, Carthage, Jamestown, Kernersville, Lexington, Thomasville & Trinity)*

We recommend contacting stores prior to arriving as some may have seasonal hours
