THE DRIVE HIGH POINT FOUNDATION ANNOUNCES the 2021 AWARD WINNERS

The non-profit has designated \$207,480 in tourism related investments

HIGH POINT, N.C. (April 30, 2021) – The DRIVE High Point Foundation, has announced the recipients of the Destination Development Grants for 2021. Ten area non-profits will receive \$160,480 for projects that complement the High Point 10-Year Strategic Destination Plan for Tourism. In addition, the foundation has earmarked \$47,000 in funding for outstanding projects committed in 2020.

Applicants can request funding through this once-a-year grant cycle that is spirited in developing High Point as a year-round visitor destination and/or merit increased tourism through overnight stays or frequent visitation. Impactful requests may include funding for signature, first time, or multi-day events; capital enhancements (renovation or additions) that create more visitor activity and an enhanced visitor experience; public art projects that create visitor engagement; and projects that create an opportunity to attract specific groups or mass visitors to High Point.

“Last year was most unusual as the pandemic derailed some of the planned projects that were awarded,” Grants Administrator Melody Burnett said. “We want to still honor those commitments as organizers update their planning strategies moving forward that includes funding for two public art projects and a Latino Festival in downtown.”

- American Furniture Hall of Fame – Furniture Hall of Fame Museum (\$25,000)
