

High Point CVB Update 3/19/2020

Dear Partners:

Since Governor Roy Cooper's announcement on Tuesday, March 17th, to discontinue dine-in service at restaurants and bars, many restaurants have implemented alternative services to remain in business. These services include takeout, curbside service, and delivery. Our team continues to solicit information from our local food and beverage establishments to better inform our community. To see our detailed list of restaurants, [click here](#). We encourage you to support our area businesses, and keep in mind the three T's:

Takeout
Tip Well
Tell Others

As we go through this difficult time, please remember to support your local businesses. Below you will find a listing of locally owned restaurants offering a variety of services including curbside, delivery and gift card options.
