

High Point CVB Update 3/23/2020

Dear Partners,

Today, March 23, Governor Roy Cooper issued an Executive Order that will impact schools and businesses. This executive order lowers the mandated threshold of events and mass gatherings to 50 people. All movie theaters, gyms, health clubs, and other similar facilities including those with close interaction to clientele such as hair and nail salons, massage therapists, and other similar facilities are all required to close by 5 p.m. Wednesday, March 25. We encourage you to support these local businesses by purchasing gift cards and maintaining memberships.
